CLASSMATES WED IN VIRGINIA CITY

Elmer Wiley was married yesterday to Miss Gertrude Shady at Virginia City. The honeymoon will be spent at Berkeley visiting the bride's cousin, Mrs. Pat O'Brien, widow of the late Pat O'Brien who was the ninth man to arrive in Tonopah and who was successful in making a fortune out of the sale of the Elmer mine at Hawthorne and the Pine Nut of Klamath. Incidentally it may be said that Mr. O'Brien put his money to good use by buying a home in Berkeley, costing \$80,000, where he spent his declining years in opulence. The marriage is the outcome of a romance beginning with college days when both bride and bridegroom were classmates, graduating in 1915. Mrs. Wiley occupied a position as teacher in the Reno public schools for the past two years. Mr. Wiley after receiving his degree of electrical engineer came to Tonopah, resigning last week from the Tonopah Mining company to meet the more important engagement at Virginia City. He is a nephew of Bob Daisell, deputy chief of police.

WAR SEQUEL AT THE OHIO SHAFT

A sequel to the war responsible for the encounter between Milo Kuliacha and Herman Thasseler at the Ohio shaft last week, according to the testimony heard yesterday afternoon by Justice Lawrence. The court considered that there were extenuating circumstances and, after administering a severe lecture to Kuliacha, fined him \$10 and costs. The trouble at first was supposed to have originated on account of the steel furnished Kuliacha by the complaining witness but it was disclosed that there had been considerable feeling on account of European affiliations. Veda Kuliacha, a cousin of the defendant, one of the best known miners of Tonopah, was among the first who made the supreme sacrifice in France while fighting under the American colors. Thasseler is of Teutonic ancestry and is alleged that he remarked something about what Germany would do when she recovered her fighting spirit. Kuliacha resented the allusion and thus became involved in the fight which occurred after the men came off shift.

CROWN PRINCE IN ASCENDANCY THIS MORNING

(By Associated Press) SAN FRANCISCO, July 3. Just as Harding's name filled the air as the probable Republican nominee three weeks ago this morning on the final day of the Republican convention, so William G. McAdoo's appeared to be in ascendancy as the delegates to the Democratic National Convention reassembled today. There was this difference that the Ohio candidate had been agreed upon by the elements in control of the situation at Chicago, while the New York man's supporters here had still to fight a stubborn opposition with no definite assurance of success.

New York Makes First Break Going To Cox Palmer Losing Ground

(By Associated Press) SAN FRANCISCO, July 3.—Nine unsuccessful ballots in the democratic national convention aroused talk today of a dark horse. Neither Cox, Palmer or McAdoo for once showed any signs of giving way to one another but made steady but small fluctuating gains from the field. Many state delegations continued casting their ballots for men they have not any idea of nominating simply because their leaders were not convinced at that stage that either of the big three could win and were holding back to get on a compromise movement should one appear. On the ninth ballot the new leaders stood McAdoo 388 1/2, Cox 321 1/2, Palmer 257 1/2. As compared with previous ballots the eighth three changes were shown Cox gained 5 1/2, McAdoo gained 6 and Palmer lost 1 1/2. The changes were inconsequential for the purposes of progress toward the nomination and it was noticeable that an undercurrent of conference was going on among the state delegation leaders in a rather nebulous search for somebody on whom to place.

MONDAY PICNIC FOR THE KIDDIES

Thinking of the activity and forethought of the American Legion and its Women's Auxiliary the mothers and kiddies of Tonopah will be taking care of with a picnic at the swimming pool and Victor Park adjoining where considerable shade is found in the little grove planted there some years ago. The picnic will be from noon to 3 o'clock, during which every man and woman affiliated with the legion will devote their entire time and endeavor making the day pleasant for the guests. The prizes will include swimming races, boy and girl races and the usual diversity of small sports with suitable prizes. Tables and benches have been built and a drinking fountain installed. Seats for 150 are provided at Victor Park. The older children are requested to walk to and from the pool owing to the limited conveniences which are much fewer than usual on account of the number of persons going away over the holiday and traveling by machine. Carl Menahan is master of transportation and he requests all who can attend the day at the picnic to meet him at the Elks Home at 11 o'clock Monday morning on the above mentioned picnic grounds. He is to be the chief beneficiary of the day. Machines will leave from the front of the Elks Home. The committee has engaged the Tonopah Mill band under the leadership of Bill Young to enliven the day at the baths with patriotic melodies.
